

St. Albert men receive achievement awards

The outstanding work of two St. Albert residents was recognized at the Provincial Government Achievement Awards banquet held Saturday evening in the Macdonald Hotel, when Premier Lougheed, assisted by several of his Ministers made the presentations and congratulated the recipients.

Chester Cunningham of Mission Park received an award in the Service category and Mr. John Brauer of Sturgeon Heights in the Excellence category. The third category for which provincial awards are given is Sports.

Mr. Cunningham's award was for Service Within the Community, and his nomination came through the Department of Culture, Youth and Recreation. The citation on the award plaque states that Mr. Cunningham has voluntarily served his community in dynamic fashion, being actively involved with the John Howard Society, working with minor sports in the community, and serving as executive director of Native Counselling Services in Alberta. He is presently a member of the Provincial Task Force on Accidents and Suicides.

During the past year Chester has logged some 6,000 miles, covering the province in his work with native court workers and native counselling services. He has worked with the Alberta Law Foundation to implement a Family Court

CHESTER CUNNINGHAM

Worker program now operating in Edmonton, Calgary, Peace River, Red Deer and Lethbridge. This work has

been tied in with Grant MacEwan College and the University of Alberta was also helpful in setting up training courses for native people.

Mr. Cunningham has been involved with native court work for 10 years and began by preparing his own course to train native people to fill their own needs.

Mr. John Brauer, a teacher and Mr. Bill Hrychuk of Edmonton were presented with plaques bearing the citation "Mr. Brauer and Mr. Hrychuk were instrumental in

JOHN BRAUER

the development of the Community Oriented Education Program. (core). The successes achieved by these two individuals in the program development resulted in their winning the Hilroy Fellowship in Education, presented by the Hilroy Foundation in February, 1974."

The fellowship award was for innovative projects across Canada.

The experimental program designed by John and Bill operates out of the M. E. LaZerte Composite High School, and is in its second year. The two teachers have 60 grade 11 students each afternoon and they use the city as their classroom.

The program integrates several subject areas: Social Studies 20, Communications 21, Special Projects 20 and an associated option, usually Sociology 20. Students spend their afternoons in agencies, art galleries, museums, radio stations, organizations all over the city - in addition to a weekly seminar and general meeting.

The program represents

the convergence of at least five major movements in contemporary education, the two CORE teachers explain.

These are: an approach to the curriculum which integrates learning across several subject areas; the open classroom which emphasizes the students role as decision maker in the learning process; the community school which uses the resources of the wider community for the enrichment of the school experience; the mini-school or school within a school which groups students and teachers into closer learning communities; and cross age grouping which organizes learning experiences in contexts, reflecting the diversity of the wider community.

The Alberta Advisory Council, in recommending CORE for a Hilroy Fellowship comments: "Although projects for relating students to the actual life of the community are not new, few such projects have the hope of the CORE program or a more fluid curriculum."

BACM will match Town on Kinsmen Clubhouse

The RCMP Centennial Clubhouse project, which has run into problems with increased costs and method of funding, was brought before the special meeting of council held Monday, October 28. The project was originally anticipated to cost about \$60 thousand but has inflated to a cost of \$188,863.92 in less than a year. Council was faced with making a decision in the matter with three alternatives possible. The alternatives were to increase their commitment, ask the Kinsmen to seek funds from other sources or to seek a commitment from BACM.

Mr. Bill Hite, project chairman, and Mr. Terry Moore, club president, were on hand to discuss the

situation and seek direction from members of council. Mr. Hite emphasized that the design of the clubhouse was such that it would be distinctive and of value for all concerned. He also stated, in response to a suggestion from Coun. Luky that a redesign be done, that it was possible to construct "box" for \$100,000 but that the intention was to construct a facility unique in the community which would be of value to all concerned. He also felt that a redesign would essentially kill the project. Mr. Hite added that the grant from the RCMP Centennial committee had to either be used or returned and the project had to be completed by year end.

The club is prepared to go an extra mile if the Town will likewise come with us, said Mr. Hite. Mayor Plain clarified the situation facing the council stating that the project involved a commitment from the Town from a lesser figure to a portion of \$98 thousand dollars which remains to be financed.

Mr. Garry Frost, architect

of the project, came forward in response to Coun. Smith's request for information relating to the content of the facility. He briefly explained the content of the clubhouse and concept of the building which he stated was not to be "a box in the middle of a

Development Appeals under Discussion

Councillor Wetsch noted that the position of the individual seeking appeal on a development permit refusal was somewhat disadvantageous when the individual was before the appeal board.

Several appeals came up during the regular council meeting held Monday, Nov. 4th.

Mr. Wetsch pointed out that an unfair situation exists when the individual is before the board and is given additional reasons for refusal

while before that time was only given reason for refusal based on the zoning bylaw. He moved that any reasons which may be considered by the appeal board should be submitted to the applicant with the refusal notice.

Coun. Smith expressed her doubts regarding the legality of this practice though she stated she was in agreement with Coun. Wetsch's intention. Mrs. Smith suggested an amendment that any additional arguments for refusal be

attached to the document and not be included within it. Coun. Wetsch disagreed with the amendment on the grounds that the applicant should be supplied with all the reasons and therefore be aware of all the reasons for rejection of the permit.

Coun. Luky commented that the bylaw establishes standards and facilitates simplicity in dealing with building permits but the bylaw cannot take in to account all aspects. He stated that the Development Officer is not in a position where he makes a decision.

Mr. Byron pointed out that the Development Officer was in the position where he was making the decision regarding permission or refusal, as an employee of the Town and under the guidelines of the bylaw. Mr. Byron also noted that in light of the stream of appeals regarding the construction of car ports and garages that perhaps some consideration should be given to the standard and its applicability.

Coun. Breadner stated that this was exactly what he had in mind and perhaps broader policy guidelines. He said that this situation was an indication to develop broader policy guidelines to equip the appeal board adequately to

Mayor forecasts early budget

The mayor stated that he will "eat any budget that we (the council) takes until July or August to prepare" during discussions regarding the Kinsmen decoration grant which arose during the council meeting held on Monday night.

Coun. Breadner moved that because the grant has been assessed in the past but not included in this years budget it should not be granted at this time and consider a possible grant when the budget comes under discussion in December along with other priorities. Coun. Breadner was convinced that the motion should be split into two parts; the first dealing with not granting the money at this time and secondly to refer to the budget.

Coun. Pye noted that the request was for a grant for the year of 1974 and not 1975 and therefore the Kinsmen would want one \$500 grant for 1974 and another for 1975. Coun. Breadner pointed out that no

monies were granted for decoration in 1974 and therefore the Kinsmen had no need for it and no reason to consider the request. Coun. Thronson stated that the Kinsmen were concerned about receiving the monies in time to do some decoration of the town during the rodeo. It was at this point in the discussion that the Mayor stated he would eat a late budget. Mayor Plain also said that all attempts would be made to get the budget complete by the month of February. Following the Mayor's remark regarding the budget, Coun. Thronson stated that he hoped that nothing would have to be eaten by the mayor because it would be likely that the councillors would have to eat some too.

The first motion, dealing with not granting the money at this time, passed 7 to 0. The second motion dealing with referral to the budget in December, passed 7 to 0.

Open House will be held at the Legion Hall following the service.

Sgt. Art Trace of the St. Albert RCMP detachment will be a special guest of the Legion at their annual Re-

field."

Members of council expressed their support of the project noting the need for a facility of this type in the Lacombe Park area. Coun. Wetsch inquired as to possible other sources of funds which the Kinsmen had in mind to pursue for the project. Mr. Hite stated that it was felt that, in the light of the town having eventual ownership of the building, the town was the logical point to start from in seeking the funds for the project. Coun. Breadner stated that he was in support of the project from the position of its need but he pointed out that his decision hinged upon the comments of the representative of BACM.

Mr. H. Rogers, the representative of BACM, was asked to come forward and state the position which his company would take on the project. He

related that after consultation with BACM head office he had convinced them to match the town dollar for dollar to a maximum of \$49,000. "I would like to offer on behalf of BACM," he stated, "a program of assistance based on matching the town dollar for dollar to a maximum of \$49,000."

Coun. Thronson told Mr. Rogers that this was the best offer council had heard all day.

Coun. Lukay stated that he was concerned that there was such a great change in the cost of the project and that there are other more necessary projects which could be pursued. Coun. Wetsch pointed out that the opportunity to put in a needed facility, and the fact that the resources of the Kinsmen Club, RCMP grant and BACM were being offered, made the situation an

attractive one for the town to support.

Coun. Lukay moved that the dollar for dollar match proposal be followed, and council voted 7 to 0 in favour. Spontaneous applause was heard from members of the gallery as the motion received passage.

contend with its function once it has been formed.

In further discussion of the motion from Coun. Wetsch, Coun. Lukay pointed out that the refusal notice which would include all the reasons for denying the permit would require a site inspection, whereas a site inspection was not necessary in the practice of the past. Mr. Byron stated that a regulation could be made that the Development Officer would do a site inspection so that the notice of refusal could include all the factors resulting in the refusal.

The motion to provide the applicant all the reasons for refusal was passed 7 to 0.

Coun. Smith requested that staff investigate the feasibility of drawing up guidelines for consideration of appeals when garages or carports cannot satisfy present demands.

Parking on Bishop Street under discussion

Parking on Bishop Street is not allowed as a result of action taken by the previous Town Council. The matter was brought up at the regular council meeting on November 4 and Mr. R. G. Wheatley was on hand to represent himself and other residents of Bishop Street.

Mr. Wheatley pointed out that as a result of disallowing parking on this collector street, speeding had increased creating a greater hazard than the parking. He advocated returning to the situation as it was before. Mr. Wheatley also drew council's attention to the fact that the installation of no-parking signs was not requested by the residents of Bishop Street although it had been reported

to him by the former mayor that the action was requested by some of them. Mr. Wheatley stated that he felt that there was never a proper arterial road plan between Bishop Street and Boudreau Road and a lot of motorists use Bishop as the shortest route to get where they are going. Mr. Wheatley said, "it is my feeling that nobody asked for those signs to be put where they were, there was some sort of a breakdown in understanding or communication which resulted in them being put up where they are." Mr. Wheatley stated that the people who live on the street disagree with the placing of the signs.

Three of the residents on that street were present at the meeting, including Mr. Thiele who was the individual who originally brought the matter before council. Mr. Thiele pointed out to council the danger resulting from parked vehicles during the winter when the width of the road is reduced due to snow conditions. He stated that he had requested action with regard to placing no parking signs for the length of the island in the centre of the northern part of the road. Mr. Thiele went on to say that the action became somewhat enlarged resulting in deprivation of parking for the length of the street. Mr. Thiele also stated that he would like to see parking banned on all sides of the island. Another resident who is affected by the no-parking situation, Mr. Deroscher, was also present to argue against the action taken.

Coun. Thronson said that the police should be notified regarding the problems experienced with speeding and this should reduce the problem. He also stated that the situation on the street would

have to be resolved but he was unsure if removal of the no parking signs would completely eliminate the problems. Mr. Wheatley stated that every change has resulted in further difficulties and in view of this it would be better to remove the signs and return to the situation which existed in August.

Coun. Smith stated that she was concerned if removal of the signs would ease the hazard mentioned with regard to children crossing the street. She stated that the situation with children running from between parked cars was something to be contended with. Mrs. Smith also asked for the reaction of the individuals who were on hand to establish Bishop Street as a two-way street all the way along and limiting the use of the divided portion at the north end. Mr. Wheatley answered the first point by saying that the density of housing was such that only a few cars would be parked on the street. The fact that cars would be parked on the street would reduce the traffic and therefore limit the problem mentioned according to Mr. Wheatley. Mr. Wheatley stated that in regard to the

second point he was in favour of returning to the situation as existed in August before the no parking signs were installed, and no more.

Coun. Fyfe stated that perhaps the situation at the north end of the street where angle parking is permitted should be re-examined. Coun. Fyfe stated that the matter should be referred back to staff for further recommendation and assessment. Coun. Lukay inquired as to the usage of Bishop Street by trucks to which Mr. Wheatley answered by stating that a certain amount of this traffic is being experienced but speeding remains the major problem.

Coun. Lukay moved that the traffic bylaw be enforced on Bishop Street. Coun. Thronson moved an amendment to the motion so that it would include other collector streets. The amendment passed with a vote of 6 to 1. Coun. Lukay was not in favour. The motion made by Mr. Lukay passed 7 to 0.

Coun. Lukay moved that the problem of parking on Bishop Street be referred back to staff for further appraisal and consideration and that a copy of the report

be sent to Mr. Wheatley. Included in the motion was that maps which show the location of various traffic control signs be submitted to those councillors who do not have these maps. The motion passed 7 to 0.

Income distribution a problem for all Canadians

Minister for National Health and Welfare Marc Lalonde said last week that Canada must define a national conscience in the field of social security.

Mr. Lalonde made the remark during a speech he gave to the Empire Club of Canada on the question of income distribution October 31st.

He said that despite the large increase in income transfers to families in the lowest income groups, those in the middle and upper income scales have been maintained at about their same share of total family income.

Mr. Lalonde pointed out that the share of income going to the lowest paid individuals

and families had been increased enormously by the improvements in Canada's social security system, relative to what it would have been without these changes.

"Nonetheless," he continued, "the share of income going to the several income classes has remained remarkably constant over the past 20 years."

During the speech he emphasized that the community's view about income distribution was very important.

He quoted figures from Statistics Canada which showed they had calculated that the minimum income level for a family of four was from \$4,000 to \$5,400 a year, including family allowances.

But the Minister also pointed out that making the final choice about what constituted a minimum income level was a tough moral question for the community to decide.

Even if this tough question were resolved, Mr. Lalonde

said "the public will then want to know how much it will cost to achieve different levels of income support."

What proportion of the increases in the national income in the next few years would have to be allocated to achieve these different levels.

the Minister added.

He said that these were difficult points to solve, but "they are the ones that will have to be answered before we will gain a national consensus on this central issue of basic income standards in the social security

review."

He said the moral judgment as to what people should contribute towards their more unfortunate neighbours was a judgement which, in the final analysis, Canadians would have to make for themselves.

Small business in a squeeze

Shortages of materials and components and a relatively new cash-on-delivery payment are playing havoc with smaller Canadian secondary manufacturing operations, Roger Worth reports in The Financial Post, "In times of

shortage, the weakest economically are hardest hit," John Bulloch, president of the Canadian Federation of Independent Business, explains. The strongest companies are able to look after themselves. "Our orders

are last on the list when we require parts or equipment," a small Western Canadian manufacturer says. "The big suppliers are serving their big customers and the small guy is getting left out in the cold." Because smaller

companies can't get materials many are operating at well below peak capacity. Not only has the smaller manufacturer become a second-class customer in the eyes of many suppliers, he is now forced to pay cash on delivery rather than the 30-60 or 90-day payment terms that were common until about two years ago when shortages permitted suppliers to start to change the system.

RE-SHOPPING CENTRE PROPOSALS

A third meeting in a series of meetings will be held at the Club Mocombo on Wednesday evening, November 13, 1974, commencing at 7:30 p.m.

Darene Holdings (Shapiro) will be presenting their proposal for a major regional shopping centre on the northwest side of Highway No. 2 and Gervais Road, and it is anticipated that another proposal will also be presented.

The purpose of the meeting is for you the public to hear the developer's proposal and to ask questions concerning any aspect of his proposal.

Your input is essential to assist Council in reaching a decision concerning whether there should be a major shopping centre in St. Albert and, if so, its location.

ADMINISTRATOR.

to the Editor Regrets loss of Bakker

Now that everyone has hopefully cooled off after the fever accompanying the municipal election, I would like to make a point which I feel is very important.

We have our new Council, four members of whom plan to create miracles without money. Well, why knock that - Christ walked on water - perhaps Mayor Plain can do the same.

My point is that I would like to establish how many voters have attended a council meeting or even a forum

before casting their votes. Having personally attended a great number of these meetings, I acquired a certain cynicism about the previous council. There is, however, one very important exception, that exception being John Bakker.

It is totally beyond my comprehension that anyone who has heard Mr. Bakker could conceivably face a ballot and not put an X beside his name. He has given credit of his time and talents to this town, and these are not to be taken lightly. Only the next three years will make us realize how much administrative staff it will take to replace him. I have never had so much admiration for a political figure within the Town of St. Albert as I have for Mr. Bakker.

I must also establish that

this is a very objective viewpoint since I am not well acquainted personally with Mr. Bakker. I have no axe to grind, only a feeling of great dismay that we have lost the invaluable services of this knowledgeable, conscientious citizen.

Thank you for your space.

Disagrees with Russell

I wish to express my disagreement with the opinion voiced by Bob Russell in your last edition of the Gazette.

For many years now the Liberal Party of Alberta has suffered from a frequent turnover of leaders, leaving their party in a disarray of diverse thoughts. No matter how many tears Bob wishes to shed over this dead body of the Alberta Liberal Party it will not come to life again unless another enigmatic leader like Peter Lougheed and Pierre Trudeau will appear on the Alberta scene. Until such time we will have to make the best of life here under the government in power, a government which has weak members and which has strong members just like any other government. If there are citizens of Alberta who are joining the Conservative Party with the sole purpose of getting the candidate who they feel will serve their constituency best, elected, then, under the circumstances existing in Alberta, one can only applaud such citizens. This is a pragmatic principle and it has nothing to do with whether one prefers Ernie Jamison or Bob Prather. If members of other parties join the Conservative Party with the sole purpose of voting for one or the other, then these members should be that they are actively interested in life of today and not the life of some political party which has not proven itself viable.

Mrs. I. Bakker, Grandin Park.

Chester Cunningham had a pass from the Sturgeon General Hospital in order to attend the Provincial Awards dinner, along with Mrs. Cunningham, on Saturday evening. He refused to take a holiday this year so his doctor arranged a three-week enforced rest while some health problems were looked after.

Salisbury corner to be examined

A petition from residents of the area immediately on or about Salisbury Avenue, which expressed concern regarding the hazardous condition at the wide corner of Salisbury Avenue, was referred to staff at the regular council meeting held on Monday night. The petition was in regard to the installation of stop signs on connecting roads to Salisbury Avenue and reduction of speed on the corner to 20 miles per hour. It noted that vehicles parked on the corner made speeding a very dangerous practice. Coun. Smith moved that stop signs be placed on Sycamore (and Salisbury) and Stanley (and Salisbury) which would be consistent and desirable with the practices of the town. Coun. Lukay stated that it may be prudent for the information regarding why signs of this type are used is brought before council and that a decision without this information is difficult. Coun. Wetsch was in agreement with Coun. Lukay. Council voted against Coun. Smith's motion to place the stop signs 6 to 1. Coun. Lukay moved that the matter be referred to staff for their recommendations and this motion was passed 7 to 0.

AROUND TOWN

He's hopeful of being released for the weekend when he and Elzaida and their little girl would like to take the van and have a couple of days hunting holiday down south.

If Neil and Sadie Ross have an extra big smile these days they have a good reason in the person of their first grandson, who put in an appearance on October 30. Carl Ross Smith is the son of Captain Chris and Ann Smith of Marchand Crescent. He was born at the Edmonton General Hospital and weighed 6 lbs. 6 ozs., a brother for Heather and Maureen.

Three St. Albert people were among those graduated at the University of Saskatchewan's annual fall Convocation in Saskatoon. Joyce Eileen Vass, bachelor of education, Wayne Francis Chamney, master of arts and David Douglas Kent, master of science, were among 34

graduates from Alberta at the U of S this year. A total of 674 degrees were conferred 103 for students from outside Saskatchewan.

A woman who had the beastly bad luck to get a flat tire just on the south side of the Perron Street bridge last Friday morning, came out of the experience with the feeling that it is nice to live in St. Albert. Coming into the Gazette office to phone, a man offered to change the tire when it was discovered her jack wasn't working, another man heard her phoning the second time and he offered his services - and his jack. "After coming from B.C., I can hardly believe how kind people in St. Albert are," she commented.

Visiting the home of Valerie and Peter Howell of 7 Laurier Cres., is Valerie's mother Mrs. F. Wilson from Northampton, England. Mrs. Wilson arrived in St. Albert in

sufficient time to be here for the birth of her grandson Jonathan. Jonathan is Valerie and Peter's third son and he arrived on October 6th. This is Mrs. Wilson's second visit to Canada but her first to St. Albert. She is very impressed with the friendliness here and thoroughly enjoyed hallowe'en.

Great interest was shown in the recent Quilting Short Course held by the St. Albert's Women's Institute. Another short course "Instruction in Quilting" will be held on Monday, November 18th at 7:30 p.m. in the Mission Clubhouse. The registration fee is \$3 and no materials are required. New amendments to Canada Pension Plan

Health and Welfare Minister Marc Lalonde has introduced a Bill in Parliament which would amend the Canada Pension Plan.

Mr. Lalonde stated that the main purposes of the Bill are to: beneficiaries under the Canada Pension Plan.

*Establish equal treatment for male and female contributors and beneficiaries under the Canada Pension Plan.

*Remove the retirement and earnings tests for retirement pensions.

*Establish a new formula for determining the Plan's earnings ceiling and the earnings base for

growth of future CPP benefits.

*Change the basis of Plan's exempt earnings provisions and so provide greater opportunity for people at lower income levels to participate in the plan.

*Allow members of certain religious groups to exclude themselves from the CPP.

*Make a large number of technical changes to improve the plan and generally make it more effective.

The amendments that are designed to provide equal treatment for male and female participants in the Plan will pave the way for pensions to be paid to

widowers on the same basis they are now paid to widows.

The equality amendment will also make it possible for children's benefits to be paid on the disability or death of the female contributors on the same basis they are now paid to male contributors.

Another important feature of the bill concerns the proposals for removing the retirement and earnings tests that now apply to CPP retirement pensions.

Once the new bill becomes law, these tests will no longer apply and persons 65 or over may draw their Canada Pension Plan retirement benefits whether or not they

continue to work and receive wages.

A new formula in the bill provides that the Year's Maximum Pensionable Earnings (YMPE) - the amount to which a person may contribute - will be increased by 12 1/2 per cent each year until it catches up with the average earnings of Canadians as represented by the Industrial Composite of weekly wages and salaries published by Statistics Canada.

A further change in the bill will establish the basic exemption - the amount on which contributions do not have to be made - at 10 per cent of the year's maximum

pensionable earnings. Under current legislation this is set at 12 per cent. If passed the new legislation will set the year's basic exemption at \$700 for 1975.

The bill also contains a provision which would allow individual members of religious acts to exclude themselves from the CPP in the

case of sects that have "established tenets and teachings that oppose the acceptance of benefits from any private or public insurance that provides payments in the event of death, disability, old age or retirement."

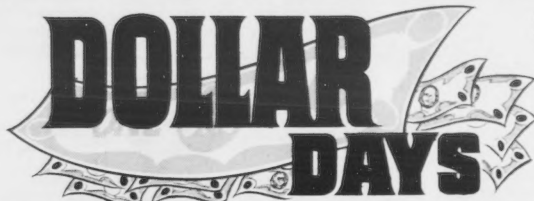

Mr. Lalonde mentioned that these changes have been discussed with and have the support of the provinces.

THANK YOU

To all those who supported me in the recent Hospital Board Election, my sincere thanks.

Bruins face tough schedule

By
LARRY MITCHELL

St. Albert goalie Barry Richardson made a number of excellent saves in the Comets 5-2 win over Winterburn Tomahawks last Wednesday. Comets in to help Richardson out are Dale Rippel (6) and Len Fasek (14). Winterburn players are Willard Hughes (10) and Larry Moser (14).

Comets leading league, win five of six games

Five wins in their first six games have given the St. Albert Comets first place in the nine team Edmonton Central Hockey League.

Comets won the league opener with a 6-4 win over Westlock Eagles and followed up with a 7-3 victory over Stony Plain Eagles. Comets then travelled to Barrhead where they lost a 5-3 decision to the Sabres who have two ex-Comets in Gary Checknitz and Henry Hodgson in their lineup. Since then the Comets under coach Dale Rippel have won three in a row.

Last Wednesday they were in Winterburn for a game with the Tomahawks and came away with a 5-2 win. Comets led 5-0 midway through the final period on goals by Rippel, Len Fasek, Paul St. Cyr, Paul Fattjewski and Harvey Kirkland.

Comet goalie Barry Richardson lost his shutout bid at 11:43 when Dave Lockhart scored on a breakaway. Bob Oliver scored the other Tomahawk goal with only a minute to play on a wrist shot that caught the corner.

Friday night before a good crowd the Comets had to really work for a 3-1 win over Stony Plain Eagles who were fresh from a surprising 8-3 win over Sherwood Park Barons the night before. Stony Plain is coached by Mickey Checknitz who was the Comets manager the first half of the season last year.

Comet captain, Richie Perrault scored the first St. Albert goal late in the opening period with Wally Monson, and Lyle Schuler drawing the assists.

Monson made it 2-0 early in the second period after linemate Dwayne Klassen

had set him up in front of the Stony Plain goal.

Eagles only goal of the game came in the second period when Dennis Beckland scored on a low drive from about 20 feet out. Comet defenseman Bob Beaulieu rounded out the scoring midway through the final period on a tremendous blast from the point that Eagle goalie Dennis Zutz didn't see until it was in the net. Zutz was outstanding in goal and left many of the Comets shaking their heads.

CFB Trojans came to town Sunday evening and probably wished they hadn't as they were blasted 12-1. Harvey Kirkland led the Comets with four goals and an assist while Brian Stevens came up with a

fine hat trick. Other Comet scorers were Klassen, Perrault and Rippel. Zane Jakubec played the whole game in goal for St. Albert and lost his shutout midway through the final period when Jim MacDonald scored on a goal mouth scramble. CFB goalie Ross Scagnati played well in the nets despite the 12 goals scored as he was pelted with 63 shots.

After six games in 10 days the Comets next game won't be until November 13 when they travel to Leduc for a game with the Oilers. Comets next home game will be November 15 when Sherwood Park Barons will be here.

The St. Albert Bruins junior hockey squad will play four games in the next seven days and it should give them a good indication as to how they may end up in the race for first place in the Capital Junior Hockey League by December 15th. The first place leader at that time will be the league representative to take part in the Canada Winter Games in late December. As of now the Bruins have two wins and two losses in four league starts and are no more than three or four points out of top spot.

Last night the Bruins played the Waterloo Merchants and at press time no game score was known. On Saturday night they will visit Fort Saskatchewan for a game with the Traders and on Sunday will be at home for a return engagement with the Fort. On Tuesday they will be in Stony Plain for a game with Glen Hall's Flyers.

Manager Don Parenteau advised the Gazette Monday that Coach Ken Schwartz has trimmed his roster down to working size and the following players will stay with the team.

In goal the Bruins will go with Cary Winquist and Miles Goodwin. The defense will see Wayne Kuzio, Marcel

Tourangeau, Simon La France, Jim Worobek and Jim McComb.

Forwards making the team are Duane Overn, Robert Henderson, Mike Pierce, Bob Pearn, Gerry Vanthuyne, Gary Ferguson, Craig Neeser, Doug Ferguson, Matt Lister, Alex Jensen, Tim and Mike

MARCEL TOURANGEAU
(CAPTAIN)

O'Neill and Gary Mann. Tourangeau will be the captain with Neeser and Pierce the assistants.

Rene (Max) Pouliot will again look after the equipment and their is not a better man in the country at his profession. Ole Jensen will handle the trainers job.

Fire Chiefs win bantam league opener

St. Albert Fire Chiefs opened their 1974-75 season with a 6-0 victory over Camrose in St. Albert Arena before about 100 fans Sunday afternoon.

Chiefs, playing in the Central Alberta Bantam Hockey League this season, led 2-0 after the first period and 3-0 after the second.

Dave Fraser, a hold-over defenceman, scored two goals for Chiefs. Hold-overs Ken Young and Larry Sander, Rolfe Mowatt and Allen

Walters got the others.

It was only the fifth time Chiefs had been on the ice but they turned in a creditable performance—offensively and defensively and didn't fade in the late going as had been expected. In fact, if anything, they seemed to get stronger.

Chiefs will play a 24-game schedule in the league that

includes Fort Saskatchewan, Leduc, Drayton Valley, Wetaskiwin, Red Deer and Camrose. For the past three seasons they have been in the Northern Alberta League with Westlock, Barrhead and Ardrossan.

Chiefs' next game will be at home Sunday against Wetaskiwin. Game time 4:30 p.m.

St. Albert's bantam football team under the sponsorship of Carma Developers Ltd., had an excellent season despite losing the championship final to Canada Safeway Sunday afternoon. Members of the team are - Joe Tworek, Rick Shermack, Pete Tworek, Brian McCann, Paul McCann, Mark Ammar, Frank Ammar, Max Mault, Colin Parayko, Danny Kennedy, Rod Wiltshire, Ken Young, Karey

VanBuren, John Provencal, Francis Tworek, Jeff Baker, Robert Lee, Mark McLaughlin, Dan Kehoe, Mike Ratushniak, Lorne Christensen, Guy Derieu, Jim Scheibelhofer, Chuck Burns, Sean Sullivan, Jordan Johnston, Roy Galloway and Damir Dupin. The coaching staff was headed by Rick Suggitt and assistants Barry Suggitt, Jim McBain, Brian Mundy and Herb Fischer.

St. Albert Nordic Ski Club

Our president is Hugh Puffer, secretary - Louise Stanley and Vice-President John Woiutenko. The club intends to publish a cross country ski trail map for the St. Albert area. If you have any special trails or access to ski areas, and wish to share them with others, give us a call at 459-4500.

Now is the time to prepare your wooden skis. Scrape the ski down, if the tar base has worn through, re-tar the skis. The more durable tar is the warm in type. Once the tar has dried, use a base wax. Base wax or binder permits better wax adhesion to the ski. Protect your ski by using both tar and base wax, don't let them wear off. Next week ski exercises.

St. Albert drops bantam football final

Canada Safeway won the Edmonton and District Bantam Football Association championship Sunday afternoon at Kinsmen Park with an exciting 18-8 win over St. Albert, sponsored by Carma Development Ltd.

Canada were undefeated this season while the only two losses St. Albert had, were to Canada Safeway.

St. Albert started off strong with Paul McCann running back the opening kickoff 40 yards. Quarterback Joe Tworek set up a running game and marched towards the Safeway goal. Both McCann boys and Wiltshire were finding good holes in the Safeway line while Jordan Johnston caught a 12 yard pass. The drive was stalled on Safeway's 24 yard line when Brian McCann fumbled.

Safeway couldn't get a first down and punted. Safeway were offside on the first play and with first down and five to go, Joe Tworek faked a handoff to Wiltshire and rolled out to hit Brian McCann with a 24 yard touchdown pass. It was a perfectly executed call by Tworek as he had already established a running game, but came back with the perfect pass. The score at the end of the first quarter was 8-0 for St. Albert as Peter Tworek was good on the convert.

Safeway with the help of some poor St. Albert tackling on the line scored early in the second quarter on a 22 yard run around end by quarterback Gord Agar. The convert

was missed.

Midway through the quarter, fullback Andy Dalton scored Safeway's second major on an end sweep that went 25 yards. The convert was missed and Safeway were out in front 12-8. On the last play of the opening half Tworek hit Jordan Johnston with a perfect 30 yard pass that appeared to be going for a touchdown. A Safeway defender somehow caught Johnston by the ankle to prevent the score.

The second half was pretty well all Safeway as Agar and Dalton took turns running the ball for sizeable gains. Once again the poor tackling, along the line by St. Albert and the ability of Safeway to get outside proved to be St. Albert's downfall. On a third and four, Agar went for a 20 yard major on a quarterback sneak. He was hit a couple of times at the line of scrimmage but shook off the tackles and went in to score. The convert was missed and the final score was 18-8 for Safeway.

Coach Rick Suggitt, although not too happy with the team's performance of the day, was however very pleased with the boys on the years play. He was quick to congratulate the Safeway coaches for a well played game and felt Safeway was the better team that day. The play of tackle Chuck Burns was the best that Coach Suggitt had seen him play in the last two years and was the most outstanding player on the St. Albert team.

FINAL NEWS IN SPORTS

Waterloo Mercurys took advantage of the power play last night to score three third period goals and come from behind a two goal deficit and score a 6-5 win over the St. Albert Bruins. Once again with a victory in hand the Bruins continued to take some very untimely and stupid penalties and allow Waterloo to score. Early in the third period the Bruins led 5-3 and appeared to be headed to a upset win over the Mercurys. Penalties to Marcel Tourangeau, Alex Jensen, Gary Vanhuyne and Jim Worobec allowed Waterloo to score

three power play goals. Coach Ken Schwartz will have to take a good long hard look at some of the culprits if he ever hopes to win.

Bruins got goals from Gary Vanhuyne, Mike O'Neil, Lorry Sloan, Jim McComb and Doug Ferguson.

Next Bruins home game - Sunday, November 10 - 7:30 p.m., against Fort Saskatchewan.

Russian Hockey Secrets On T.V.

The evolution of the Soviet Union as a world hockey power has developed over the past quarter century to the point where today, wherever the game is played the Russians are recognized, at least as individual performers, as equal to the best in the world.

In world and European amateur competition as well as in the 1972 and 1974 Soviet/Team Canada confrontations, the Russians have earned admiration for their remarkable performances as highly disciplined teams and uniquely skilled individuals.

Yet surprisingly little is known of the Russian hockey stars, their teams, systems and philosophies. Even less is known of the manner in which they live their daily lives, in sharp contrast to the amount of publicity accorded North America's professional athletes.

More than a year ago Hockey Night in Canada entered into a film exchange agreement with the State Committee of TV-Radio of the USSR in an attempt to develop a series of film features which would shed light on hockey life in Russia, study their unique training methods and generally provide Canadian fans with an intimate look at Russian hockey today.

The result of that agreement is a seven-part series which will be run on Hockey Night in Canada both regionally and nationally, in English and in French commencing Saturday, November 2 on through Saturday, December 14. A list of dates and specific features is listed below.

The six-part series, a total of 35 minutes of film, provides the first authentic "in depth" studies of Russia's hockey stars ever presented in Canada. The film

material is exclusive to Hockey Night in Canada, produced jointly by Soviet-U.S. film crews and represents a "breakthrough" in coverage of the previously "unknown" superstars of Soviet hockey.

Following is the schedule of dates and specific features to be presented in this highly entertaining and informative package.

St. Albert Mens Commercial League

St. Albert Warlords behind the shutout goaltending of Steve Zdrill defeated the Progress Club 7-0 in the opening game of the St. Albert Mens' House League last Thursday. On Monday night Midland doubled the score on the Gazette Flyers 10-5.

League games are played every Monday, Thursday and Friday at 10:30 p.m. in the arena.

Seven players shared in the scoring for the Warlords as Ray Ash, Bob Kirk, Dick Buttrey, Jack Skinner, Bob Thorpe, Art Johnson and Wayne Rissling all blinked the light. Ash also picked up three assists while Thorpe added two.

S. Horbachewski scored four goals and K. Hay added three more in the Midland win over the Flyers. Other goal scorers for Midland were D. Wittkoph, L. Myoan and R. Letain.

Keith Switzer scored two goals to lead the Flyers while Don Jamison, Les Martin and

Lee Ripley added the others. Upcoming games will see the Flyers playing St. Albert on Thursday and the Warlords take on St. Albert Esso.

that Dwelt Apart, and two
in a series on the Steinberg
supermarket chain, Real Estate
and International Development.
Following the films

coffee will be served and
there will be a discussion of
St. Albert in the year 1984, 10
years from now. Admission is
free.

Alberta Junior Citizens of the Year 1974

The dauntless spirit that opened up the west
is still alive in Alberta today. These young people
proved it! Each Junior Citizen of 1974 contributed
to the well-being of fellow Albertans through
some act of courage, initiative, selflessness
or social responsibility. Our thanks to their
nominators — and a proud salute to the
Alberta Junior Citizens of the Year 1974.

A village for children

The Yukon Youth Centre, a village for children, was started approximately three years ago by John Evans who decided that he would try to

do something for the children who are growing up in disjuncted environments such as broken homes, illegitimacy, or abandonment. After

five years working with children on the streets in and near Whitehorse, the Y.C.C. a village for children is becoming a reality.

This is a Canadian project helping neglected children in our own back yard. An encouraging response has been received from across Canada. At present there are four houses on 160 acres of land situated on Mile 21 of the Mayo Road. The site is about 25 minutes from Whitehorse by paved highway. Two children live at the village permanently at this time and two more are scheduled to be arriving shortly. If efforts underway prove to be fruitful, there should be six or more living at the village by early next year.

Admission is not based on nationality, culture or color. The Yukon Youth Centre is not a religious organization and terms itself inter-denominational. Children from infancy to age 14 years are accepted at the village. Letters of consent from parents or

guardians must be received before the village can accept a child.

With the coming of winter, a need for warm bedding and sheets as well as children's winter clothing has become foremost. Any help is greatly appreciated.

Kinettes sponsor three minute shopping spree

Wouldn't it be nice to have a cart load of groceries paid by someone else?

Once again the St. Albert Kinette Club is sponsoring a three minute Safeway shopping spree. Tickets will be on sale at the Safeway - Thursday, Friday and Saturday and three weekends in a row before the draw which will take place November 23 at 9 p.m. The winner will be notified and arrangements will be made for the winner to shop November 26.

Safeway will be cleared of shoppers and the winner will

do his or her best to fill the cart within the time limit.

The person who has been lucky enough to win will be able to relax while the Kinettes pay the grocery bill. All proceeds will be going

towards the Cystic Fibrosis fund.

If you can't make it to Safeway on those free weekends and want a ticket phone 459-6902. They are 50 cents each or three for a dollar.

Art Workshop

A batik workshop sponsored by the Cultural Development Division of the Dept. of Culture, Youth and Recreation, is to be held Dec. 6, 1-5 p.m. and 7-10 p.m., Dec. 7, 9-12 noon and 1-5 p.m., and Dec. 8, 9-12 noon at the Visual Arts Branch. Interested persons can obtain an application from R. W. White, supervisor, Education

Section, Visual Arts Branch. The deadline date for registration is Nov. 25. This promises to be an exciting workshop, with Jean Wedell, the instructor, emphasising work on dimensional forms. The fee is \$8.75 per person, and this includes all materials and supplies. For more information contact Kathy Mills at 459-7861.

St. Albert Library "On the Air"

The St. Albert Public Library is starting the second month of its weekly half hour television show produced locally at the Capital Cable studios.

Called "Bookends," the show is televised on Cable 11 every Thursday evening at 7 p.m.

The show is designed to inform St. Albert residents

as to present programs into the town's book. In addition, each week there is a humorous segment in the continuing drama of life in St. Albert called "Over the Clothesline." Two Muppet couples, Leon and Marie, long time residents, and Robert and Bobbi Jean, nouveau riche newcomers, clash

in the week's local news. "Bookends" is conceived and produced by the library's staff (and with a little help from their friends). Anyone wishing to become involved with the show can enquire at the library. Programs in the coming weeks will include the library's hallows'en puppet show, an interview with a local writer who will also review the recent books by the province's winning novelists, an interview with local artists about the annual sale, and news on what's happening in town from week to week. A new feature of the program will be the weekly list of current best selling books for viewers' information.

Plan to catch BOOKENDS this week and every week and try to keep pace with your town.

ST. ALBERT REC. NEWS

BLUE LAKE CENTRE
Information about the many courses scheduled to be held at the Centre (near Hinton) from now till March, 1975 can be obtained at the office of the Recreation Department in the Town Hall.

The program offered at the Centre covers a wide range of

activities: winter camping, wilderness survival, canoe construction cross-country skiing, skiing instructor's course, map and compass orienteering on snowshoes and a course with the fascinating title of "Winger, nature and you." Registration forms and descriptions of the

courses can be picked up at the Recreation Department.

FIGURE SKATING

The executive of the St. Albert Figure Skating Club are busy preparing for the sub-sectional figure skating competition which will be held in the arena on Nov. 30 and Dec. 1st.

The St. Albert Club will be host to 13 clubs in the Edmonton Zone - an exciting "first" for St. Albert. When

times and events are known a further announcement will be made. All events will be open to the public; there will be no charge.

WASKAHEGAN HIKING TRAIL

The number of people who attended the meeting on October 30 to discuss St. Albert's participation in the Waskahagan Hiking Trail Association unfortunately did not warrant the formation of a local chapter. However, sufficient interest has been indicated that one will undoubtedly be formed at a future date.

In the meantime, anyone wanting information about the Association and the trail itself should phone Mr. de Jong, publicity chairman, at

425-3166 (days) or 482-3140 (evenings) or write to P. O. Box 131, Edmonton.

SKATING IN ARENA

The arena is open for public skating on Wednesdays from 7 to 8:30 p.m., Saturdays from 8:30 to 10 p.m., and on Sundays from 2 to 4 p.m. The admission fees are - adults \$2, students 15¢ and children 25¢.

There is also a special session for parents and pre-schoolers on Wednesdays from 10:30 to 11:30 a.m. when the admission fee is 25¢ per person. These sessions provide an excellent opportunity for parents to get on the ice and teach their small fry how to skate.

PHYSICAL CULTURE

The eight week physical culture, conducted by Margaret Thomson, is now over. In January, classes will again be offered for students and adults.

SWIMMING

Bronze medallions for resuscitation awards, Red Cross progress cards and badges, and M.A. awards are in the Recreation Department and will be picked up as soon as possible.

Stettler woman National Silver Cross Mother

OTTAWA - Mrs. Annie Rudd, an 83 year old Silver Cross Mother from Stettler, Alberta, will represent Canadian motherhood here as the nation remembers it's war dead on November 11. She had three sons in the service, two of whom were killed.

Sapper Thomas Rudd was killed in France in September, 1944 while serving with the Royal Canadian Engineers, 6th Field Park Company. He was aged 25.

Sgt. Francis Rudd was killed over Hanover, Germany, October 10, 1943 while serving as an air gunner with the RCAF. He was 19 years of age.

A third son, Captain Jack Rudd, who is still serving with the PPCLI, saw service in World War 11 in Continental Europe and Africa with the Calgary Highlanders and the Loyal Edmonton Regiment. He was wounded in Italy in 1944. He has also served in Korea.

A grandson is presently serving in the PPCLI as an exchange officer attached to the Royal Green Jackets in England.

Mrs. Rudd's 85 year old husband, Thomas, will accompany her to Ottawa. He is a dual war veteran, having served in the British Army in World War 1 and in the Veterans Guard of Canada in World War 11. He was awarded the Military Medal in World War 1. Mr. Rudd farmed in the Stettler area for almost 40 years.

The couple came to Canada from England 45 years ago. Both are still active Legion workers and are life members of Stettler Branch.

Fourteen Brownies go to Guides

Over 130 Brownies, Guides, leaders, parents and guests filled the gymnasium of Leo Nickerson School on October 29 when MacKenzie District Girl Guides of Canada in St. Albert held a Fly-up ceremony for 14 girls who had completed the Brownie program and were ready to move on to Guides.

The Guides from 4th St. Albert Company marched on the ceremonial Guide Horseshoe, and the Guides from 1st St. Albert Company (outfitted in pumpkin costumes) formed a Guard of Honour in hallows'en motif. Brownies from four packs were called into a large Brownie ring.

Each of the 14 girls was awarded her Brownie Wings Badge which she will wear on her Guide uniform signifying that she has completed the

Brownie program. Each girl was also presented with a Guide Badge Scarf, a farewell gift from their respective Brownie Packs. The presentations were made by the leaders who had worked with the girls for the last two years.

Joyce Smith presented Wings and Scarfs to Brownies from 7th Pack - Donna Katmarzav, Norma Smith, Jackie Lee, Bobbi-Dawn McLean, Carol Richmond, Karin Hach, and Julie Duerinsky. Fay Riley, and Sandra Hesselwood. Linda Bailey performed the honours for the Brownies leaving 8th Pack - Ena Chaisson, Debbie Schrad, Brenda Verhulst, and Amylee Miike.

A ceremonial Grand Howl was extended to the honoured girls by their Brownie friends

as they left Brownie Ring. They were greeted by Company Leader Marie-Louise Sorenson, of 1st Company, who escorted each girl through the Guide Honour Guard, and introduced them to Guide Captains June Chaisson, 1st Company, and Shirley Wurtz, 4th Company. Each girl was then taken by a Patrol Leader to their new place in the Guide Horseshoe.

The ceremonies were followed by a rousing campfire program during which each Pack and Company led in a song or performed a skit. Parents and guests were invited to join the girls and their leaders for refreshments which concluded a most enjoyable and memorable evening.

Apaches invest 12 new cubs

The Third St. Albert Apache Pack invested 12 new Cubs at a ceremony held October 23 in the gymnasium of St. Alexandra MacKenzie school. The 21 other Cubs in the Pack sat in horseshoe formation around a campfire while Cubmaster Hugh Smith welcomed the following boys to the worldwide organization of cubbing: David Botting, Cliff Firmitte, Harry Gavacs, Stephen Harrison, Robert Kay, Bryan Maruyama, Robert May, Simon McCaffery, Blair Morling, Kevin O'Hara, Richard Plain, and Kevin Rokosh.

As each boy was invested he received his Tenderfoot

Badge, and a blue neckerchief to signify his membership in the Third St. Albert group. Paul McAfee, Chris Botting, and Michael White were welcomed as transfers and were also presented with a blue neckerchief.

District Commissioner Alf Garvin and Assistant District Commissioner Ray Evans were present to invest Assistant Cubmasters Dale Rokosh and Albert Harrison. Donita Rokosh, a Guide with 4th St. Albert Guide Company, presented her dad with his neckerchief, and newly invested Cubs, Dale Rokosh and Stephen Harrison were called upon to present their dads

with their neckerchief woggles.

Twenty-five parents and guests were invited to join the Cubs for refreshments following the ceremony.

Joint celebration marks 25th Anniversary

Two couples who have been good friends for many years shared a joint Silver Wedding celebration at the Purple Dude Saturday.

Mr. Wilmer (Scotty) Brown and Irene McLeod were married in Edmonton on November 4, 1949, and Lawrence and Elaine Morin had their wedding three days later. The Browns of Grosvenor Blvd., have made their home in St. Albert for 14 years and the Morins live in Quatre Rock, B.C.

The evening began with a supper for about 150 guests at 6:30 when Mrs. Brown's mother, James McLeod acted

as master of ceremonies. In attendance were the Brown's two sons Douglas 21, Bruce 18 and daughter Wendy 15; Irene's mother Mrs. Baudenbacher and Mr. Anton Baudenbacher of Sterling Street, St. Albert; her uncle and aunt, Mr. and Mrs. Eyal Williams and family, her uncle and aunt the Byron Parsons and children, and Mr. and Mrs. Jim Daggs and Don Williams.

Many of Scotty's relatives attended, including a sister, Audrey Brown of Edmonton and his brother Floyd Brown of Greenoort.

Relatives of the Morin's included Mrs. B. E. Chalmers, mother of the bride of 25 years, from Grande Prairie, and her brothers Mr. W. E. Chalmers, Grande Prairie and Mr. H. G. Chalmers from B.C. and her sisters, Rebecca Schmidt also of Grande Prairie and Mabel Greenwood of Calgary.

For many years with Gibson Oil, Scotty's work took him to a lot of different towns in central and northern Alberta, and including friends of the Morins, guests were here from a great many places in Alberta and British Colum-

bia. During the evening everyone had a grand time, dancing, visiting, reminiscing and catching up on the news. On behalf of all present both couples were presented with a

gift of money by Mr. James McLeod.

The happy celebration was arranged by Bob and Jim McLeod, brothers of Irene Brown, and the double

anniversary pointed up the fact that young marriages can work out very well. Irene was married on her 17th birthday and her friend Mrs. Morin when she was 19.

Community cinema begins Friday

The St. Albert Community Cinema will appear in St. Albert on Friday, Nov. 8 with its first offering, an evening of films on the topic of urban development and Town Planning. It will be shown at SAM School at 8 p.m. This program is the first in a monthly series of film screenings of recent National Film Board films that the St. Albert Community Cinema is sponsoring in its desire to get films shown locally. Admission to this series is free and each program, usually the first Thursday of each month, is

planned as a relevant film experience and discussion. Hopefully the series, called Cine Chataque by the National Film Board, will serve to establish regular film showings in Town.

In addition, the St. Albert Community Cinema will provide in the weeks ahead feature length films for the citizens of Town. Details of films and their dates will be made soon.

Admission will be charged for these feature films but membership in the St. Albert Community Cinema will

mean reduced admission. Memberships in the local film society will be available at \$2 a year at all showings.

Anyone interested in helping in the organization of the St. Albert Community Cinema programs can phone Brian Minnelly at 458-0447.

Exciting day for 73-74 graduating class

October 26 was an exciting and full day for the graduating class of 1973-74 from Georges P. Vanier High School in Morinville.

The mass held for the graduates was conducted by Father G. H. Prineau. The high school choir, conducted by Miss Karen Weston and accompanied by Mr. Norman Chailfoux, was present to sing at the ceremony.

Later, a banquet was held in the Recreation Centre with many people in attendance. Mr. Gerald Houle, master of ceremonies, introduced all the guests at the head table. Mr. Marcel Schayes, principal, proposed a toast to the graduates and Miss Louise Schafers replied on their behalf. Miss Carol Wojtkiw proposed a toast to the parents, and received an reply from Mrs. Alice Wojtkiw. Mr. John Pelletier addressed the school board in his toast and was replied by Mr. Guy St. Germaine, chairman. Mr. Arthur Stapleton, mayor of Morinville, then gave the banquet address.

Immediately afterwards, a graduation exercises were held at the school gymnasium to the theme "Could we start again, Please." Miss Lorraine Riopel played the Grand Entrance as all the graduates entered the auditorium and

took their seats. Mr. Schayes gave the welcoming address to open the ceremonies. The high school graduation choir, under the direction of Miss Karen Weston, sang "To Sir With Love" and "Test Magnifique," accompanied by Lorraine Riopel on the piano and Ruby Khullar on the bongo drums.

Soon after, award presentations began. Mrs. Simone Gervais presented an award to Joanne Bachand on behalf of "Mouvement de Femmes Chretiennes." Miss Viviane Blackburn, best all-round Grade 9 student last year, received a plaque from Eddy Bolger, president of the Junior Student's Union.

Miss Renu Khullar received a medal from Mr. David Pasay, president of Sturgeon ATA Local No. 27, for achieving the highest average in Grade 10 last year.

Mr. Marcel Labonte, on behalf of the Thibault School Board, presented trophies for the highest class average to Lucy Ledue, Grade 6; Lisa Houle, Grade 7; Lisa Gorm, Grade 8; Ruby Khullar, Grade 9; Ruby Khullar, Grade 10; Donna Boudet and Marilou Vern Brabant, Grade 11; and Darlene Van Brabant, Grade 12.

The Grade 12 subject awards were next on the

program - Chemistry 30 (donated by Mr. Norman Chailfoux) went to Darlene Van Brabant; Math 30 (Mr. Georges Schayes) went to Louise Schafers; English 30 (Mr. Joseph Soper) went to Janice Carruthers; and French 30 (Mr. Camille Gregoire) went to Andre Tailleux and Carol Wojtkiw.

Donic Boissonnais, president of Senior Student's Union, gave awards to: past president of the Student's Union, Denis Pelletier; Yearbook Editor, Carol Wojtkiw, and the most versatile grad, Carol Wojtkiw who planted a kiss on his cheek in pure gratification!

Mr. Guy St. Germaine,

chairman of the Thibault School Board, presented the Grade 12 scholarships, \$100 to Darlene Van Brabant and \$50 to Carol Wojtkiw.

Mrs. Yvonne Ledue, on behalf of the School Board, presented a long service award to Mrs. Christana Fromont who has been with the school district for 20 years. She also received a bouquet of roses and said a few words to the cheering audience and to the graduates, many of whom had been her students.

The Grade 6 choir, under the direction of Mrs. Colleen Schayes sang "The Enter tainer" and "Do Re Mi". They were accompanied by

Mrs. Gergette Lavigne and received a hearty round of applause.

Miss Darlene Van Brabant then gave the valedictory and bid farewell on behalf of the graduating class to the many teachers and friends who had influenced their lives during the past 12 years.

Mr. Norman Trettak, superintendent of schools, also spoke for a few minutes to the audience.

And then, with the culmination of 12 years in school, each graduate was introduced and presented with a diploma and a school ring. The high school choir brought the exercises to a close by presenting the theme song

"Could We Start Again, Please," with a slight twist to it. As the song neared completion, the curtains opened, revealing 20 small boys and girls, each dressed in a gown with an appropriate, mortar-board, and each representing one of the graduates. They sang a line in the song, although it was barely heard amid the thunderous applause as the group received a standing ovation.

The evening ended with a dance at the Rec. Centre, to the music of the Nite Lites. The graduates and their escorts were introduced and then danced to the theme song. Many people attended, and the entire day was an overwhelming success!

Report from Parliament Hill

By Stan Schellenberger, MP

Few people, save those who have actually witnessed Parliamentary activity, can truly appreciate the hectic pace of a Member's life in Ottawa. I would like to elaborate on some of the details that together constitute a typical day on the Hill so that you may better understand the responsibilities of the position to which you representative is elected.

Naturally, a Member is expected to spend as much time as possible in the House of Commons. However, as a rule, the House does not sit until 2 in the afternoon. Consequently the mornings are free for participation in committees of both the House and the party. It is not generally recognized by the electorate that much of a Member's time is devoted to committee work. There are three types of committees on which Members of all parties may sit - Standing Committees of the House of Commons, Special Committees and Joint Committees of the House of Commons and the Senate.

There are at present 18 Standing Committees of the House of Commons (e.g., Agriculture, Indian Affairs and Northern Development, Transport and Communications, etc.), each with a set number of members (most cannot exceed 20).

Special Committees are set up to discuss a contemporary matter of great concern, one which does not fall within the portfolio of a Standing Committee. A current example is the Special Committee on Egg

Marketing.

There are three Standing Joint Committees of the House of Commons and the Senate - Printing (23 members), Library of Parliament (21 members) and Regulations and other Statutory Instruments (12 members). These Committees deal primarily with administrative matters common to both houses.

In addition to Committees on which members of all parties may sit, there are caucus committees.

Party caucus meetings are held quite regularly. These differ from party caucus committee meetings in that all members of a political party are in attendance. At these meetings, party policy and platforms are discussed and formulated.

The House of Commons sits at 2:00 in the afternoon Monday through Thursday and at 11:00 in the morning on Friday. Prayers are read by the Speaker at the beginning of the meeting, after which the daily routine of business of the House commences. Reports are presented from Standing and Special Committees, bills are introduced, etc. Following this daily routine, which normally is not lengthy, there is an oral question period (40 minute time limit) during which members of opposition parties question Ministers with regard to Government policy and progress on specific issues of contemporary concern. After the question period, Government bills are debated and/or voted on. It is interesting to note that no Member, excluding the Prime

Minister, Leader of the Opposition and a few other notable exceptions, can speak for more than 40 minutes at a time in any debate.

The House is adjourned on Wednesday at 6:00 and on Friday at 5:00 p.m. At 6:00 p.m. on Monday, Tuesday and Thursday, the Speaker leaves the Chair until 8:00 p.m. at which time business is resumed from the point where it was dropped prior to private Members' hour. At 10:00 p.m. the Speaker departs the motion to adjourn the House has been made and seconded but the House may sit for another 30 minutes. During this time, Members who wish to raise questions or request further information to supplement that of the afternoon oral question period may do

so. Only three questions can be raised; debate on any one matter cannot exceed 10 minutes.

A Member of Parliament's first responsibility is to his constituents. In addition to his work in committees and in the House of Commons, he must keep abreast of current affairs in his riding, investigate problems and gauge reactions to specific issues. A Member must always be prepared to leave Ottawa for his riding at any given moment! Many constituency matters cross a Member of Parliament's desk in one day and the correspondence alone can entail several hours work for the Member and his staff.

Believe me, there's never a dull or slow day here on Parliament Hill!

Emile Hews passes

On October 9, 1974, Mr. Emile Hews of Suite 129, 6075 Wilson Avenue, South Burnaby, British Columbia, formerly of Morinville, Alberta, was called to his resting place suddenly at the age of 52. He leaves to mourn his loss his loving wife, Ila and his daughter Julie, also his father and stepmother of Edmonton, three brothers and six sisters Fred (Elzeur) of Redwater, Alberta, George of Vernon, B.C., Arnold of Hope, B.C., Mrs. Don (Anna) Elliott of

Shatinavon, Sask., Mrs. Bill (Ilda) Priddle of Edmonton, Alberta; Mrs. Eric (Pauline) Mester of Edmonton; Mrs. Steve (Jeanne) Epkic of Edmonton, Alta.; Mrs. Allan (Theresa) Gaalaas of Edmonton, Alberta. He was predeceased by his son Kenneth October 12, 1968. Funeral services were held on Saturday, October 12 at 7:30 p.m. at Royal Oak Funeral Chapel South Burnaby, B.C. Donations may be made to the British Columbia Heart Foundation.

MD Sturgeon will place resolutions at Convention

The Municipal District of
 Sturgeon #90 will present four
 resolutions at the Alberta
 Association of MDs and
 Counties Convention in Ed-
 monton, November 18 - 22.
 The four resolutions con-
 sidered amendments to the
 municipal taxation act, the
 Municipal Government Act
 regarding Mobile Unit
 Licensing, the taxation of all
 residences and the sharing of
 sewerage taxation.

At a regular meeting of the
 MD of Sturgeon Council had
 made it clear that it wanted
 the Provincial Government to
 make a definite statement
 equalizing the industrial
 tax base throughout the
 province in the light of big
 industrial spin-off from the
 improved oil sands utility
 corridor.

The proposal from the MD
 is of a general nature,
 requesting the AAMDC to ask
 the Provincial Government to
 implement legislation where-
 by industrial tax revenues
 would be shared equally by all
 Albertans, on an equitable
 formula basis. The resolution
 expresses the hope that local
 municipalities would be given
 special consideration on the
 distribution formula for municipal
 services provided to the
 industries, where these indus-
 tries are located.

The MD's resolution points
 out that in the past, location
 of industries has caused
 taxation inequities between
 municipalities and has in
 some cases resulted in an-
 ne-

which amounts to 1,000 pints
 needed each week. Blood
 cannot be manufactured, it
 must come from people. If
 you ever have been or wish to

 When a young girl finishes
 school she feels the urge to
 go to the city, find a job and
 be on her own.

This correspondent did
 just that and her first job
 was as a domestic earning
 \$8 a month and believing
 she was in seventh heaven.

The fine family whose
 home she entered was that
 of John and Edna Telford
 who lived in the Highlands
 part of Edmonton in 1936
 and it was my job to care
 for their two sons, Jackie
 and Raymond while Edna
 went to hospital to have her
 third child, a daughter Syl-
 via.

I grew very fond of these
 boys, especially Raymond.
 So much so that when our
 first born son came into this
 world he was named Ray-
 mond.

Often through the years I
 wondered how these children
 were and what field of en-
 deavour they chose as a career
 until by chance at a

recent wedding dance, when
 introducing ourselves Ray-
 mond's wife, Adrienne, offered
 me a kleenex to wipe my
 brow. When she introduced
 me to her husband
 Raymond the clock was turned
 backwards to fond mem-
 ories of yesteryear.

To make the story com-
 plete Ray and Adrienne offered
 to bring Raymond's mother
 out the next day (his
 father has passed on) to the
 gift opening party. Without
 letting Edna know the score,
 we met in a happy reunion.

Pete had met Edna and her
 children, Jackie, Raymond,
 Sylvia and Doreen after the
 war in 1946, when we went to
 visit this fine family. But we
 hadn't seen or heard from
 them again till that day.

The Raymond Telford's

Mrs. Edna Telford still
 lives in Edmonton and is
 her same fine jolly self and
 rested assured we won't get
 parted again.

A miscellaneous shower in

Vimy type sewer system for Namao estate?

The MD of Sturgeon strongly favours a low cost modified sewer system of the Vimy type for Phase Two of the Namao Ridge Estate.

That was the indication made by the MD Council when it met with a representative of the Namao Ridge Estate development at a regular development meeting October 31.

Last month Vimy was the first rural community in Alberta to make a start on a low cost enclosed sewer system which has just been "imported" from Saskatchewan.

Both the Reeve of the MD Bill Flynn and Councillor Lawrence Kluthe indicated they were in favour of the low cost system being installed as development on the Estate went ahead.

"We would put in this system according to the specifications of the Sturgeon Health Unit if you get more lots," said Councillor Kluthe

honour of Miss Sharon Draper will be held at the home of Mrs. Russell Pawluk on Tuesday, Nov. 19 at 8 p.m. Friends of Sharon and Tim are invited to attend.

The first dance of the season sponsored by the Bon Accord Ladies Club was a great success. Noted among the crowd were young people

of the district now residents of Calgary. Walter and Barb Morin, Mike and Shirley Buchanan and Cliff and Marg Everitt. The next Community Club meeting will be held at the home of Doreen Hewitt on Wednesday, Nov. 13 at 8 p.m. Anyone interested is invited to attend, with a special invitation extended to newcomers to the district.

Kindergarten children enjoyed (for many of them) their first ever train trip on October 30 when they boarded the train at Bon Accord and travelled to Dunvegan Yards in Edmonton. The coach was one of 1910 vintage equipped with coal oil lamps, another first for many of the children. Arriving a bit early for the train, the class was shown the workings of a grain elevator by agent Mr. Taras Ferbey. The children were accompanied on the trip by their teacher, Mrs. Milkuski and parents Shirley Bland, Karen Lucka, Pauline Mansfield, Diane Hartley, Mrs. R. Parks, Mrs. Nick Krewy, Mrs. Sweeney and special helper Mrs. Joan Hill. Arriving in the city the children were shown through the Communications Building and as a memento were given a piece of colored communications wire. Transportation back home was by school bus.

Bon Accord arena gets \$80,000 loan

Alberta Senator Earl Hastings this week announced Federal Government approval of a \$80,000 Winter Capital Projects Loan to Bon Accord to complete its \$300,000 arena complex.

Work on the arena is coming along very nicely, Bon Accord Recreation President Elmer Brennan told the Gazette this week, but it is not very likely that Bon Accord residents will see artificial ice at the arena this winter.

Mr. Brennan said most of the loan will go on the concession area and bleachers. He pointed out that the village was also hoping for two grants to come through from the Provincial Government and the Agricultural Society, but so far there was no word on these.

The cement at the arena has been poured and the basic structure is already up. Mr. Brennan said lights still had to be put into the arena and the floors were already ordered. Plumbers and electricians are at present working in the arena on the wiring and heating. Dressing room facilities, along with the two storey concession area have also to be worked on in the arena complex.

When the whole arena is finished, the site will be properly landscaped.

Mr. Brennan said Bon Accord will certainly get some use out of the facility this winter even if "it's a little early" to start with. Natural ice will be used at the arena until the village gets its artificial ice plant in the not too

28. Flying up were Sandra Lehman and Linda Kushak. Prior to the Fly-up, Twenties worked on their enrollment training and the older Brownies began making a puppet show which will be held at the enrollment. A reminder to all those who have toys for the Christmas toy sale -- please take to the collection depots at the Chopp, New, Meyer and Millwood homes. Until the number gathered are known, it is impossible to plan the sale.

Donna Gorringer, Roseann Lewis, Maureen New and Karen Webster attended a basic trainer held at St. Albert on October 26. All agreed that it was a "fantastic" trainer and hope for more of the same.

Once again the Community hallowe'en party has been reported a success from all areas. The committee in charge wishes to thank all residents of the area for their co-operation. We, as a community, in turn wish to extend our thanks to all those committee co-ordinators and their helpers, who did such a magnificent job of organizing the party -- and if there are a few who are complaining, then you are cordially invited to turn out next year and do it better. Entertainment and treats were provided for over 350 young people, from tots to teens. A special thanks to senior members of the community who judged costumes, to members of the Lions Club, who chaperoned and assisted the Teen sock hop. A good time was enjoyed by all and to our representative of law and order from the RCMP detachment, Morinville, a thank you, you, too.

Mrs. Doreen Lamoureux of Gibbons and Mrs. Rose Ruth of Bon Accord, both members of the Sacred Heart Church, Gibbons, attended a seminar on Theology in connection with religious education in the

school held at St. Albert over the past weekend.

Work goes ahead on the park for Rossglen with a good number of large trees planted. A special thank you to Mr. John Chedzey for the use of his tree planter and to Oakhill and Wes Carleton for their donation of trees. Much raking and picking up of debris are still on the agenda. A slap on the wrist to those residents who, so far, have not lent a hand, and a pat on the back to those who are on hand every work bee.

Congratulations to Keith and Linda Sorsdal on the birth of their daughter Sharmen Gayle, 6 lbs. 4 ozs. on October 2.

Co-ordinator of the hallowe'en treats committee, Mrs. June Serediak wishes to extend her grateful appreciation to Mmes. Magus, brien, Fleming, engman, Franchuk, Webster, Emery, Scott, Samis, Hetman and Tomlinson for making popcorn and filling the treat bags with a special thank you to Sharon Hill who helped in so many ways.

The first of the New Improved Binges under the joint management of the Community Centre Board and the Bon Accord Lions got off to a good start with a number of new players vying with the old faithfuls for the \$500 jackpot and the \$10 and \$15 game prizes. Winner of the Bonanza Bingo was Glenna

Brennan and, although she did not win the jackpot, Diane Mulligan did the next best, winning the \$25 awarded for the first bingo after the 48 numbers had been called. This week the jackpot is \$475 in 49 numbers. Time - 7:30 p.m. in the Community Centre every Sunday.

The Lions Club are sponsoring a dance on November 22, with music by the High Chaparral. Proceeds are slated for community projects. The ambulance up till now, a prime project of the club, is now in service and may be reached in times of emergency by calling 298-3777.

Residents of the village were treated to something that could easily be the real thing some dark and windy night when flames engulfed the derelict building on the corner of 50th Avenue and Railroad Street on Sunday morning. The fact that it was ordered set by village council to remove a fire hazard and was used as a practice exercise by the fire unit from Gibbons with its volunteer fire fighters turned it into a quite harmless sight for the many perturbed villagers who rushed to the scene. Under different conditions, let your imagination run riot. Do you think we should press for a fire fighting unit that is readily available here in the village or should we continue to let George do it until such times as a major calamity strikes our town?

Farmers market & Auction scores success in Calahoo

By Liz McLeod
A good crowd was in attendance throughout the day at the Farmers Market and Auction sponsored by the West Sturgeon Ag Society in Calahoo last Saturday. Eddie Walker, the small fellow with the big voice, was in fine form and hundreds of articles of every description changed hands under the

auctioneer's hammer. An excellent sound system kept the crowd informed on what was happening no matter where they were on the grounds, and Eddie's lively sense of humour added to the success of the auction. Largest item was a good size home to be moved, which sold for \$11,000.

The Gazebo where tables

were set up for selling vegetables, handicrafts and economies was also a busy place. Homebaking and canning entries were displayed and judged in the church basement, along with quilts and handicraft entries. Twenty-four entrants went home with prizes. Judges were Lois Folkins from the St. Albert Arts and Crafts Guild and DHE Mrs. Kelly from Ed-

monton. Mrs. R. Alice Schermund really did well, gaining eight firsts.

All of the tables and stalls were manned by local volunteers, including the refreshment booth where coffee and hot dogs, pop and so on were dispensed all day. Chester Wilson of Onaway won the

stock saddle raffle.

A hot beef supper was served and a dance in the new arena hall finished off the celebration. Figures are not all tabulated, but there is no doubt the Agriculture Society, supported by so many willing workers, have another highly successful project to their

credit. MIA Ernie Jamison was introduced by Eddie Walker during the afternoon, along with Brenda Coyes, treasurer of the Society, who accepted a cheque for \$2,000 from Mr. Jamison under the Provincial Government's Community Hall improvement program.

Calahoo pioneer laid to rest

By Liz McLeod
Riviere Qui Barre district is mourning the loss of another fine gentleman, Mr. Henry Kaup Sr., who was among the early settlers in this district, and whose untimely death occurred on Thursday, October 24, 1974 in Sturgeon General Hospital at St. Albert and at the early age of 67 years.

Mr. Kaup was born on October 17, 1907, in Steinhäusen, Germany, arriving in Canada in 1927 and coming to this district in 1929

where he has farmed ever since.

He leaves to mourn his loss his loving wife Theresa, four sons, Henry (Riviere Qui Barre), William (Edmonton), Fred (Calahoo) and Lawrence (Spruce Grove), three daughters - Mrs. J. W. (Ann) Bernard, Edmonton; Mrs. Frank (Hilda) Schoenberger, Calahoo; Mrs. Pete (Rita) Forsythe, Edmonton; four sisters and two brothers, Mrs. John (Dena) Groppe, Calahoo; Theresa, Johanna, Martha and Fritz and

Karl Kaup in Germany besides 22 grandchildren, one of which got married on Oct. 19th.

St. Emmerence Roman Catholic Church in Riviere Qui Barre was filled to capacity for the funeral service, with the Rev. Father Thibault, OMI officiating.

Vera Seibert was organist and the choir sang three selections beautifully during the dignified service for a very well loved neighbor, husband, father and grandfather.

The active pallbearers were his four sons, Fred, Henry, William and Lawrence and two grandsons - Randy Kaup and Ronald Bernard.

Following the graveside service in beautiful autumn sunshine, interment took place in the church cemetery.

Lunch was served afterwards.

I'm sure everyone is breathing a sigh of relief and thankfulness for this wonderful weather we're experiencing. Harvest was able to progress favourably, and outside of some hauling of bales in this area, the farmers have almost got all the fall work done also. And of course the good roads and weather lead to long overdue visiting becoming a reality.

Mrs. Dolly Majeau of Calahoo was pleasantly surprised to have her brother, Charlie Vander of Valleyview, their elder sister, Mrs. Helen Newton of Edmonton, and Charlie's daughter, Lorraine Custance and children from Leduc, come for a visit. Dolly was happy to see her brother looking well after his ill health.

There's nothing like making the rounds, so also called on Kris and Mary Dalheim's. This was Lorraine's first time back to her home district in 17 years, and of course she saw many changes. Then on to another sister, Mrs. Alice Warren's home in Onaway.

Joseph Freitag was pleasantly surprised to have his nephew Hans Lummer and sons, Charles and Andre come to take him with them to the Fred Hausauer's at Cherhill for an afternoon's visit. Then when Han's wife Marianne and Michelle came back from their visit home to Germany, they came and picked Uncle Joe up and went this time to help young Fred Hausauer celebrate his birthday and even brought Fred home with them to the city, where the next day Fred's parents came in for a visit and were able to take him back home.

It's always nice to have your married children home for a visit. Mr. and Mrs. Leo Brenneis of Morinville enjoyed Brian and Denise Brenneis's visit and dinner date. We are all happy to hear that Mrs. Leo Brenneis, who had a stay in Sturgeon General Hospital, is now home and doing nicely.

from Edmonton, were coming to their old home when they came to visit at the K. Dalheim's, because Mrs. Boytzun was the former Alberta Byers, who spent the first eight years of schooling at the second Speldhurst School just west of Calahoo and lived on the now Dalheim's place. Her father took a leave of absence from the N.A. Railroad and tried his hand at milk farming and they left the then Noyes Crossing in 1943. They found many changes to the district.

Both Connie and Shirley Nordstrom, Shaunna and Shelley and Douglas and Sheila Dillman residing in Manning, Alberta were pleased to have their mother, Mrs. S. Kathleen Walker come for a visit this summer. Previous to this, great grandmother Mrs. Alice MacNamara, now living in Spruce Grove, was enjoying her grandchildren for a

prolonged visit.

Although the Alvin Dheod's now live in Westlock, they come back to visit their neighbours and friends, and the Kerckhof's of Green Willow Ranch are no exception.

It was a rare treat to welcome a former neighbour Perley Bradbury and his grandson, Jeffrey Elrich, (Joan's son) to the P. McLeod's. They just couldn't leave the district without saying hello to the Myles Kerr's as well.

When someone has reached their 100th birthday, there really is cause for celebration. Ken and Sybil Thatcher attended Sybil's, Aunt Sarah Major's 100th birthday part at Fort Saskatchewan, and its even nicer to hear Aunt Sarah is still in good health and spirits.

THANK YOU

Mrs. Henry Kaup Sr., and family wish to express their sincere thanks to all their friends and relatives who were so kind and helpful during their recent bereavement. Special thanks to Rev. Father Thibault, Dr. Norman McDonald, and all the nursing staff of the third floor Sturgeon General Hospital and to the Riviere Qui Barre Church Choir and organist.

Leo and Lucille Ringette
were pleased by the arrival of
two children, Sharon (7), and
Nels (1), who will be with
them for an indefinite amount
of time.

We would like to give a
heartily welcome to Rick and
Doreen Taylor and family who
have moved here from Ed-
monton. Also, to Marie
Sturko, her four children, and

mother who have moved into
the P. E. Huot residence.

Many relatives and friends
gathered at Mr. and Mrs.
Stanley Kowalczyk's place
last Sunday Oct. 27, on the
occasion of Stanley's 71st
birthday. Happy birthday,
Stanley.

We wish Tammy Limoges,
little daughter of Rick and
Bev. Limoges, a speedy

recovery. Tammy is in the
Immaculate Hospital in Wes-
tbrook.

Mr. and Mrs. Gordon
Cannard motored to White-
court last weekend to visit
their daughter Jeanne Ho-
overs and her husband Tony,
on the occasion of their
grandson's birthday.

Lillian Bilodeau is presently
vacationing in Fitchburg,

aunt and cousins. Joe is
leaving this weekend to meet
her and from there they will
visit with Yvon, Penny and
Brent, in Dayton, Ohio, and
then on to other son Bob's in
Omaha, Nebraska. Have a
wonderful trip you lucky
guys.

The Vimy Community Le-
ague was very happy to receive
a \$2,000 grant from the
Provincial Government under
the Community Hall Im-
provement Program. Plans
are being made to re-shingle
the well worn roof.

The hallow'een party at the
hall for the youngsters was a
big success with approximat-

ely 90 ghosts and goblins
swarming around. Judging
took place first with Anne
Bernard, Blainline Landry
and Sr. Gibeau as judges.
Winning in the 2-4 yrs. age
group was bunny rabbit,
Jacko Fortier; in the 5-7 yrs.
age group was an old lady,
Monica Bernard; in the 8-10
yrs. age group was an Indian
maiden, Angele Regimbald;
and in the 11-12 yrs. age
group was a witch, Andre
Huot. Games were then
played and to conclude the
evening the hallow'eeners
lined up for their treats.
Thank you to all the women
who gave a helping hand and
to all the people who donated
treats.

A very important meeting
was held in the Community
Hall on Monday, Oct. 28, to
discuss the L.I.P. program.
Approximately 40 interested
residents came and several of
them have pledged either
their time or money to get this
program in operation. A
sizeable grant can be had to
improve our hall, skating rink
and ball diamond if we have
YOUR co-operation. The same
evening a committee was

formed consisting of: Roland
Limoges, John Dussault,
Rock Regimbald, Robert
Huot, Richard Sabourin, Ro-
ger Sabourin, Leo Provencal,
Robert Sabourin and Wilfrid
Provencal. For further infor-
mation on this program

Mrs. Laura Fortier of
Edmonton, is spending sev-
eral days with her daughter

and son in law, Mr. and Mrs.
Urie Landry and family.
While here she will be visiting
other relatives in the area.

Mike and Evelyn Hein and
family from Grande Prairie
were visiting with her folks,
Mr. and Mrs. Ed Sabourin.
Family and friends gathered
together to see pictures and to
hear about their recent trip to
Germany.

Nicole Sabourin; Marie-F.
and Marie-Pierre Lussion.

Our new members are
Joanne Bilodeau, Vincent
Blanchette, Mike, Norm and

Donald Sabourin.
Mr. Fern Bilodeau has
accepted to be our leader for
another year. Considerable
discussion was held about be-
ginning weights for our calves
since many were light last
year.

It was decided that calves
were to weigh between 550
and 700 lbs. It was decided
that a good time for weighing
would be right after school,
between four and five o'clock,
on November 18 at the Vimy
Alberta Wheat Pool elevator.

Our meetings are to be held
in the basement of Vimy Hall,
every second Monday of the
month at 7:30 p.m.

Our next meeting Nov. 11
at 7:30 p.m.

GIBBONS NEWS

By Shirley Steinwand
On Saturday, October 26, the Gibbons Local Association held a very successful harvest tea and bake sale. Pumpkin and apple pie along with tea or coffee was served.

Thanks to everyone that donated items and their time to make the tea such a

success.

Special thanks to Mrs. Crosbie for taking admission at the door, and those who donated door prizes. Prizes were donated by Yvonne Mabbutt, cake, won by Brian Boettger; Jean Archer, perfume candle, won by Maric McWhirter; Darlene Steele,

flower centrepiece, won by Aurora Lamoureux; Ron and Al's Service Ltd., free grease job, oil change and filter, won by Lynn Archer; Jean Archer, plant, won by Jennie Westra. Also a very special thanks for raffle prizes, donated by Liz Rains, crocheted bathroom set, won by Darcy Mabbutt, Bonnie Cherniweh, Christmas runner and dollies, won by Mrs. Les Smith; Bonnie Cherniweh, Christmas picture, won by Debbie Schimpf.

On Monday, October 28, a registration meeting was held at the arena for skating lessons. We have formed a skating association, and are offering the ARSA program. Elected to the executive: President - Rurak; sec. treas.

Shirley Steinwand; roster chairman, Joyce Aysan; test chairman, Denise Zeelweiger; phoning committee - Jennie Westra, Mrs. Christie and Jean Pyska.

An ice carnival is also planned for the coming year, and Yvonne Mabbutt, Liz Rains and Denise Zeelweiger were elected for the ice carnival committee. Instructors Marg and Sharon Sullivan have been hired. Parents will assist with supervision.

Lessons will be held Monday evenings starting Nov. 18th. An afternoon class could also be arranged for pre-schoolers, Shirley Rurak or Shirley Steinwand will take registrations if there are any more interested.

Lessons offered are learn to skate, power and figure

skating. Registration is \$5.00.

Ron and Al's Service Ltd., would like to announce that their car wash is now open. Their grand opening will be held November 30th. Watch this paper for a list of their prizes for the day.

Parents of cubs and scouts, please arrange to attend the investiture of your son on Wednesday, November 13 at the arena. Lunch will follow. Also please attend the parents meeting following.

The hallowe'en parties seem to have turned out very well this year. With a little more help, and perhaps earlier planning, things should go very smoothly next year. A special thanks to the

Senior Citizens that attended the party for grades 4 and up to judge the costumes. Names of winners are not available at this time.

The Alberta Caravan Exhibits will be in Gibbons on November 24 and 25.

If you have news for the Gazette, please contact Shirley Steinwand, 799-9149 in the afternoon or evenings, or leave at the post office - Box 169.

SENIOR CITIZENS COMMENT

In referring back to the October 23 Gazette a statement that was made that everything is being done for the Senior Citizens and nothing for the teens. This statement is not true. The senior citizens formed their own club, asked the Legion for the use of their hut, to which we give a small donation every year. We have no intention of moving, we have heat lights and good water what more do you want. We are not interested in the old station the only thing we are interested in is the old peoples home we are looking forward to that. There is no reason why the teens can't use the clubroom of the arena and the dormitory at the school as it is their parents taxes that is paying for these.

The library does need more room.

The ACW women thank all the people that came out to their supper on October 29. A special thanks to those that gave their help to make this a success.

By-law to rezone land for industry

The MD of Sturgeon has resolved a bylaw to rezone a portion of land in the south east sector of the MD from industrial reserve to industrial.

A large industrial park is proposed for the site on Sections 17, 18, 19 and 20 of the land in question.

October 28 the MD of Sturgeon held a hearing about the proposed park but no one turned up to appeal the proposed development.

WWW Developments Limited were represented at the hearing October 25 by Mr. N. S. Truitt.

Taylor charges provincial government with neglect

Alberta Liberal leader Nick Taylor returned Nov. 5 from a fact finding tour of the Peace River region which included speaking engagements in several towns including Grande Prairie.

Mr. Taylor is particularly concerned with the condition of main roads and arterials as well as school facilities for the area. "There is no doubt," he said, "that Alberta needs a four lane highway to the Peace River country if decentralization of population and business is not to become a

hollow dream." "Some of the money the Loughheed government is spending for air transportation could be better spent on improving and upgrading roads," he stated.

Mr. Taylor was particularly shocked at the condition of roads in the Spirit River-Fairview constituency. "It seems common knowledge," he said, "that the constituency is being disciplined for sending an NDP member to the Legislature. This type of antiquated partisan thinking should have no place in

today's provincial administration."

"Tractor protests, Chamber of Commerce presentations and pleas from local government appears to be accepted coolly and politely but the

suggestion always comes back indirectly that the constituency ranks low on the Loughheed government list of priorities," Taylor said.

He went on to say that roads are generally poor or

non-existent and that the Fairview Agricultural College looked like a fire trap compared to the modern well designed colleges elsewhere in the province. "It is the responsibility of the provin-

cial government to put aside partisan emotion when it comes to the well being of all Albertans," said Taylor.

Woman of Uniform Convention

Over 125 delegates of Women of Uniform will be attending their fourth annual convention this week at the Macdonald Hotel in Edmonton. The convention commences on November 7 and lasts for two days.

Among the key speakers will be Dr. Lotta Hirschmanova, of the Unitarian Service Committee from Ottawa and Mrs. Phyllis Bocock, who will describe her recent visit to India, where she viewed an irrigation project funded by Uniform a few years ago.

Vice President Inga Marr

will also report on her recent visit to Australia, where she attended the conference held by Associated Country Women of the World as the official delegate of Women of Uniform.

The Women of Uniform organization has been extremely active during the past year in making Alberta farmers and farm wives more cognizant of Family Law - by means of a published booklet specially edited for Albertans as well as series of 14 public meetings which are now underway.

Our first Whist Drive after our busy summer was a success with eight tables occupied. First prizes went to Mrs. Alice St. Germain and Mrs. Floyd Vollrath, and the booby prizes went to Mrs. Tiffie Vollrath and Mr. Sid Weiss.

Our card bingo always eagerly anticipated gave us

the following winners: Mrs. Margaret Rousseau, Violet Weiss, Mrs. Henri Ricard, Mr. Hector Boissonneault, and Mrs. Marge Rockwell.

With Mrs. Kenny Detannacour and helpers at the kitchen we are always sure of a delicious lunch and so end our social evenings.

MRS. ALPHONSE TROTIER IS FETTERED

A farewell party to honour Mrs. Trotier, who has lived here in Morinville for 55 years, was celebrated on October 29 at the Rendez-vous Clubhouse. Mrs. Trotier is leaving Morinville and moving to Edmonton to live with her daughter.

During the early part of the evening the members and friends played cards. When Mrs. Trotier walked in she was greeted with applause.

Mrs. Laura Kieser then entertained us with games. We always get a good laugh whether we are up playing the games or whether we are the spectators.

We were served wine and cheese and we all calmed down. Mrs. Alice St. Germain, our regrets at seeing main addressed Mrs. Trotier

her leave us. What a kind genial and gay person she always was; always stopping to greet us always smiling, a good neighbour, a regular member of the Rendez-vous Club who joined in all our activities.

Mrs. St. Germain wished happiness and good health in her new home. Then Mrs. Louise Billo presented Mrs. Trotier with a bouquet of artificial flowers on behalf of all the members and friends.

Mrs. Trotier thanks us all very sincerely and said she would come back to see us.

We resumed our party and Mr. Carl Royan called the cards for our Card Bingo. Winners were Mr. Harold Rockwell (winning twice), Mr. Romuald Detannacour, Mrs. Hector Boissonneault and Mr. Henri Ricard.

A delicious lunch was served and enjoyed by all.

High fire hazard in Alberta's forests

A high fire hazard now exists throughout Alberta's forests.

The fall weather has been almost "spring-like" and forest conditions reflect this. Recent warm temperatures have dried leaves and grasses to a point where a good supply of potential fuel now exists.

Fred McDougall, director of Forestry for Alberta Lands and Forests indicated there is a growing concern about the activities of sportsmen in the forests just now. The largest single cause of fires reported since September 1 has been abandoned campfires. These have accounted for close to 40 per cent of the total fires reported since that time.

As the heavy equipment worked around them, members of the Riviere Qui Barre Agricultural Society and their guests performed the official sod turning for the new arena Saturday morning. The building will be of arch rib construction and the first in the province which will be connected by a corridor to a School gym (Camilla). Present at the ceremony were - John Bokenfohr, contractor; Angus McDonnell of the Ag. Society, Gordon Perrot, President of the Riviere Qui Barre Recreation Board; Joe Sheehan, President of the Ag. Society, Wally Klatt, District Agriculturist, on the shovel with MLA Ernie Jamison and Reeve Bill Flynn, and Eugene Boddez of the Society.

The St. Albert General Hospital was presented with several copies of "Stories of Old St. Albert," the project of a group of young people who compiled personal recollections of St. Albert's history from long term residents of the Town. Danny Kimball (left) and Susan Kimball (second left), two of the individuals who worked on the project, present Mrs. Eleanor Smoley (medical record librarian), Mrs. Marjolin Audette (nursing co-ordinator) and Mr. Clifford Keyes (administrator) with copies to be placed about the hospital. Copies have also been given to the Mayor, Councillors, Museums, Doctors, Library, Schools, those who contributed to the book, the Premier, the MLA, and the Lt.-Governor.
